

REGIONAL ROUND SQUARE CONFERENCE

(South Asia & Gulf Region)

DHIRUBHAI AMBANI INTERNATIONAL SCHOOL

Dear Parents,

Greetings from The Sanskaar Valley School!

Round Square schools share a passion for experiential learning. Together they work hard to ensure that students have every opportunity to achieve in ways and to levels beyond their perceived limits. With the belief that learning is most effective when it is practical, cross-cultural and collaborative, and when it is infused through a broad spectrum of inter, extra and co-curricular activities, students are encouraged to discover and embrace the similarities and differences between cultures and nationalities in ways that promote meaningful and lasting understanding, tolerance and respect.

Being a proactive member of the Round Square Organization since 2009 we, at The Sanskaar Valley School, incorporate the IDEALS of the organization which include Internationalism, Democracy, Environment, Adventure, Leadership and Service in our curriculum. We encourage participation of our students in conferences, service projects and exchange programs organized by member schools within India as well as globally. The Round Square International Conference 2014 which was hosted by us was appreciated and applauded for by all the 51 schools from five continents and twenty-two different countries that attended the conference.
