

## **ROUND SQUARE SERVICE PROJECT 2019**

### **GENESIS GLOBAL SCHOOL, NOIDA**

Dear Parents,

Greetings from The Sanskaar Valley School!

Round Square schools share a passion for experiential learning. Together they work hard to ensure that students have every opportunity to achieve in ways and to levels beyond their perceived limits. With the belief that learning is most effective when it is practical, cross-cultural and collaborative, and when it is infused through a broad spectrum of inter, extra and co-curricular activities, students are encouraged to discover and embrace the similarities and differences between cultures and nationalities in ways that promote meaningful and lasting understanding, tolerance and respect.

Being a proactive member of the Round Square Organization since 2009 we, at The Sanskaar Valley School, incorporate the IDEALS of the organization which include Internationalism, Democracy, Environment, Adventure, Leadership and Service in our curriculum. We encourage participation of our students in conferences, service projects and exchange programs organized by member schools within India as well as globally. The Round Square International Conference 2014 which was hosted by us was appreciated and applauded for by all the 51 schools from five continents and twenty-two different countries that attended the conference.

Round Square Service Project at Genesis Global School is to be held from 27th May to 30th May 2019. The Service project would focus on these RS pillars: **Service, Adventure and Leadership**. The idea is to cultivate an open-minded, aware, and socially responsible youth, who possess the ability to lead the world towards a brighter tomorrow. This service project seeks to evoke the spirit of health awareness and social welfare within every individual, empowering them to push beyond limits and rediscover their capabilities and to inspire a sense of leadership for mutually assured development and success. We aspire to achieve these goals by focusing on issues of social relevance, such as health issues related to eyes, ears, skin, dental. The opportunities from this Service Project would provide an enriching experience for every student.
