

ROUND SQUARE SERVICE PROJECT

VIDYA DEVI JINDAL SCHOOL, HISAR

Dear Parents,

Greetings from The Sanskaar Valley School!

We take great pride in informing you that The **Round Square International Conference 2014** which was hosted by The Sanskaar Valley School was appreciated and applauded for by all the 51 schools from five continents and twenty two different countries which attended the conference. Our school is the third school in the country to host this conference. The memories of hospitality, warmth and detailed attention will be cherished for life by all delegates.

Being a proactive member of the Round Square Organization, we incorporate the ideals of the organization which include Internationalism, Democracy, Environment, Adventure, Leadership and Service in our curriculum. We also encourage participation of our student in conferences, service projects and exchange programs organized by member schools of the Round Square Organization.

Vidya Devi Jindal School is hosting Round Square Service Project in October 2018 at Kanya Gurukul, Dobhi, Hisar 40 km from VDJS. The students will work in teams with other like-minded students from various Round Square member schools, mixing cement, bricks and sharing duties to get the task done. There will be opportunities to hone the students' leadership skills through taking a turn on leading tasks and activities. Students will also learn values like empathy and humility by spending time with students of Kanya Gurukul.

The 21st century youth is energetic, dynamic and full of energy; energy waiting to gush through once it finds a purpose and a cause. With a vision to see young people not as passive recipients of knowledge, rather as active co-creators of their own learning, not the products of an education system, rather valued participants in a vibrant learning community.
