**Bhopal:** "Leaders aren't born, but made through their experiences in life." To inculcate leadership qualities in students and give them real-time experience of functioning of an administrative body, a school council was formed at The Sanskaar Valley School.

The investiture ceremony was held on November 15, 2017, with elan at a special ceremony held at the school amphitheatre in the presence of Jyoti Agarwal, Director, TSVS. Siddharth Giri Goswami and Aditi Hari Ramani were appointed as the Head Boy and Head Girl for 2017-'18.

In what was a short, but entrancing, event, the chosen representatives of the students' council — from the form prefects, house captains and disciplinary captains to the academic, sports and cultural captains (not to mention the Head Girl and Head Boy of the school) — were all called to the stage one by one to receive their badges and sashes.
